

Spring - Brush and Yard Waste Removal Program

The City will remove brush and bagged yard waste during the week of April 20, 2020 pursuant to the program guidelines listed below. All brush and bagged yard waste must be placed by the **streetside by 7:00 AM, Monday, April 20, 2020** since streets will be covered one-time only.

Yard Waste Removal Guidelines: The purpose of this program is to remove non-brush yard waste that is generated through spring yard clean-up (leaves, twigs, garden waste, etc). All yard waste **MUST** be placed in kraft paper (biodegradable) bags which are available for purchase at local hardware/home improvement stores. Loose yard waste and/or yard waste in plastic trash bags **WLL NOT** be removed.

Brush Pick-Up Guidelines: The purpose of this program is to remove brush from routine lawn maintenance and not to remove brush associated with tree removal. Brush placed by the street-side may not be larger than 8” in diameter and not longer than 8’ long so that it can be handled by removal equipment. Brush larger than 8” in size may be disposed of directly by the property owner at the City’s composite site off Apple Tree Drive.
