7-23									

Regular season will be 4 division double headers and 4 non-division double headers. Each team will have 2 bye weeks. Division games will only count towards the regular season division standings.

The tournament will be split into 2 separate brackets an upper and lower 5 team tournament. The overall records and head to head non division games will determine the upper and lower seeding. The 2 division winners will automatically be placed in the upper bracket.

**Cancellations may be on the field; you may also try 523-1800**
