Ionia
*Large enough for
city advantages,
small enough
to know your
neighbors.*

***A rich heritage, a prosperous
present and a bright future.***

Ionia is a great place to visit, work, play, and live. This guide to our city is merely an introduction to the many outstanding features of the Ionia area. From cross country skiing to taking a leisurely stroll on the Fred Meijer Grand River Valley Rail Trail, you will find it in Ionia, a community for all seasons.

Big enough to provide shopping alternatives, near enough to buy produce right off the farm.

Located in the Michigan heartland, Ionia residents have a variety of shopping options. The Main Street Business District provides an interesting mix of specialty shops and services, owned and operated by your neighbors. We invite you to shop for fresh fruits and vegetables at the Farmers' Market beginning in July and running through October. The M-66 retail corridor offers additional shopping to compliment the historic downtown.

Close enough to enjoy outstanding recreation areas, quiet enough to play on the sidewalk.

Ionia is fortunate to be located where all kinds of sports and outdoor activities are close at hand. Whether your pleasure is summer activities, winter fun or just relaxing, you will find it in Ionia. Six inland lakes surround Ionia and Lake Michigan is a pleasant drive away. From golf courses to campgrounds, all are close enough to be accessible and far enough away for relaxation. We invite you to visit the Ionia State Recreation Area, Bertha Brock Park, and a number of beautiful city parks.

Big enough to provide cultural richness, small enough to walk to the movies.

Settlers arrived in 1833 determined to establish a good life in the Michigan heartland. They began a pattern of productivity and family values that continues today. Visual reminders of that period are the heritage homes, still beautiful, still a useful part of life in Ionia. One such historic mansion now houses the Community Library. A landmark of a different kind is the Ionia Theatre built in 1931. The facility is host to movies, stage performances, concerts and theatrical presentations. With the addition of state of the art digital technology, the Ionia Theatre continues to be the entertainment anchor of the downtown providing first run movies and a leader in the industry.

Big enough for a mansion, small enough for a condominium.

You will feel right at home in Ionia in the type of neighborhood you like best. There are little houses for small families, big houses for larger ones, heritage homes for the traditionalists, and ranch homes built for comfort. There is land to build on and contractors to do the building. Restored second floor apartments and lofts in the downtown offer the best of both worlds. Something for everyone - the young, the retirees and the families.

Big enough to provide an experienced work force, small enough so you will know their families.

Business owners find it is more than the quiet setting, the recreational areas and the schools that contribute to the community's special qualities, it is the ready for business attitude you find here. Ionia offers the Orchard View Industrial Park and Main Street storefronts. With easy access to Lansing, Grand Rapids, Detroit and Chicago, Ionia is all that you have dreamed of without the congestion and traffic jams.

Large enough for city advantages, small enough to know your neighbors.

All the tradition of small city living continues in Ionia. This is no sleepy small town but an active growing community dedicated to adding the rich mix of family values and strong work ethic. Residents treasure this lifestyle - the quiet family oriented atmosphere that has existed since the city's founding in 1833. Today, Ionia improves and adapts as new residents and businesses contribute to the strong foundation of honesty and faith that will continue to make the community a home in the heartland.

Big enough to host world class events, small enough to ride the merry go round.

The Ionia Free Fair has been host to a variety of attractions including concerts, auto races, sporting events and more. Once noted as the world's largest free fair, it presents the ten best days of the summer. From 4 - H live and still exhibits to nationally known performers, the Ionia Free Fair has it all.

Big enough for outstanding medical facilities, small enough to care if you skin your knee.

Sparrow Ionia Hospital is a 25 bed critical access, acute care hospital proudly recognized by the Joint Commission on Accreditation of Healthcare Organizations. Sparrow Ionia Hospital is a full service hospital, that includes inpatient and outpatient services, digital medical imaging, general and specialty surgical procedures. An Emergency Room, Oncology Clinic and Cardiac Department are on-site in this state of the art facility.

Large enough to provide an excellent school system, small enough to keep the individualized approach.

Public education is not limited to K - 12 in Ionia, but continues to university level. Ionia provides a school system with virtual technology and special education features. Five private schools, six pre-schools and nursery schools are also available. Education doesn't end with high school graduation. Adult education classes and for credit courses from several colleges and universities are available at the Heartlands Institute of Technology in Ionia.

Welcome Message from City of Ionia Mayor Daniel Balice.

The City of Ionia has some of the most beautiful, historic building stock in the State of Michigan, has a renovated downtown business district which evokes memories of Ionia's historic past, has a modernized industrial center featuring light, medium, and heavy manufacturing, and has some of the friendliest citizens in America. I hope that you are able to take time to enjoy Ionia's scenic beauty, and to experience the variety and history of one of Michigan's best kept secrets. Ionia is nestled in the heart of the Grand River Valley, and is, as most people know, the home of Michigan's greatest outdoor event - the Ionia Free Fair. The history and scenic beauty of Ionia are unparalleled, from the beautiful County Courthouse and Community Library, which are both built of Ionia sandstone, to Ionia's red brick Main Street, Italianate homes, bike trails, park system, and the one-of-a-kind, fully restored Ionia Theatre, which is beautifully maintained in the Art Deco style and hosts over 100,000 people per year for first run movies, live shows, and meetings. Sparrow Ionia Hospital is a state of the art, critical access hospital, the Ionia Educational Center, public schools, and parochial schools provide an outstanding educational experience for Ionia's youth, and the Ionia Parks and Recreation Department has programs and activities for all ages, interests, and skill levels. In short, we often say in Ionia that we are "proud of our past and confident of our future," and I am certain that once you take the time to look us over and experience the many things that Ionia has to offer, you will understand why we take such great pride in our community.
