

CITY OF IONIA

Submitting W2s Electronically

The following formats are acceptable for filing W2 information electronically.

Federal Filing Format - MMREF-1

Information about the Federal MMREF format is available on the Social Security Administration website at: www.ssa.gov/employer

Note that the record with local information is not required for filing federally. The RS record must be included to provide city information.

City Tax Proprietary Format (CTP)

This is a simple format for a single employer. It may be created using Microsoft Excel. It is a Comma Delimited format. Details are on a later page.

The following table lists critical fields with local information, with the location in that format

		MMREF	CTP
Local Entity Code	Record	RS	CTW
	Start Position	5	12
	Length	5	--
	Length	{{Entity}}	{{Entity}}
Local Withholding	Record	RS	CTW
	Start Position	320	13
	Length	11	--
Local Taxable	Record	RS	CTW

City Tax Proprietary

This is a comma-delimited format. That means that each field is separated by a comma. See below for instructions on creating this file from Microsoft Excel.

All text must be in upper case.

If leading zeros on Social Security Numbers or Zipcodes do not show, this is all right.

All dollar amounts should be entered as normal number with decimal point, such as 15100.50

Do not leave blank lines between information
